

Getting Started

SEC³URE Passport

Follow the steps below to join the SEC³URE Ethos community and get your own SEC³URE Passport.

- | | | |
|---|--|--|
|  | STEP 1
Begin Registration | Visit sec3ure.com , answer the scope of service questions carefully and accurately, and complete registration. |
|  | STEP 2
Add Facilities | Attach to the facilities you are visiting. This is important, as it determines your specific credential and policy requirements. |
|  | STEP 3
Upload Your Credentials | Review what's under the Credentials tab and submit the appropriate documents based on the facilities that you have added. |
|  | STEP 4
Upload Your Profile Photo | Upload a professional, passport style photo of yourself and complete the rest of your account profile. |
|  | STEP 5
Download the SEC ³ URE App | Install the free SEC ³ URE mobile app to take full advantage of your SEC ³ URE Passport on the go. That's it! |
